## PROJECTS

### Full-Stack Portfolio

2024

[React](#), [Node.js](#), [Express](#), [SQLite](#), [Framer Motion](#)

A comprehensive portfolio showcasing three full-stack web applications:

- ShopHub E-Commerce:** Online store with product catalog, shopping cart, and checkout functionality
- Elite Salon:** Booking platform with service listings, team profiles, and appointment scheduling
- CareComfort HomeCare:** Healthcare agency site with caregiver profiles and consultation requests

### Cleaning Services Website

2024

[Freelance Project](#)

Designed and developed a professional website for a cleaning business, featuring service listings, booking functionality, and responsive design optimized for mobile users.

## EDUCATION

### Self-Taught Developer

Completed extensive online coursework and hands-on projects in web development, focusing on modern JavaScript frameworks and full-stack technologies.
